

the hunt

Tune your eyes and ears to the hidden sights, sounds, & heart of the neighborhood!

You can play hunt-lite style and try to find one item from each box OR you can play hunt-master style and try to find every item over the course of the week!

Creatures

- A squirrel on a mission
- A pet in a window
- An ant (*bonus points if you narrate its thoughts for a bit*)
- A creature you have something in common with (*like your hair color or your spunky personality*)

Act like one of the creatures you found today!

People

- A person who waves back at you
- A person on a bike or scooter
- A person with a trait that reminds you of someone you love
- A person wearing the same color or pattern as you

Make the shape of a ♥ with your shadow, or act like it is refusing to socially distance from you.

Neighborhood

- A little free library (*bonus points if you spy a book you've read before*)
- A trampoline or basketball hoop
- Something tiny-sized (*i.e. fairy garden or squirrel bench*)
- Use the name of a street you pass, casually, in a sentence or in a song.

What is your favorite part of your neighborhood?

Nature

- A flower of each color of the rainbow
- A body of water (*Bonus points if it is a puddle or fountain and you pretend you are going for a swim*)
- A 3 or 5 leaf clover (*Bonus = both!*)
- A painted rock or stacked rocks

Stack some rocks as high as you can stack them.

Hidden Hearts

- The tiniest heart you see
- A hanging heart
- A heart in a yard
- The largest number of hearts you see on one house

Leave the shape of a ♥ on your journey somewhere (*made with chalk, rocks, dandelions?*)

Buildings

- A tree house
- A clever or fancy schmancy mailbox
- A house with 7 windows on one side
- A house or building you've been inside.

If you could build anything for your neighborhood, what would it be?

Sounds and smells

- The smell of fire
- The song of a bird
- The quietest sound you can hear
- A sound made by something you can't see

What is a sound or aroma that makes you smile?

Adjectives

- Something strong
- Something flexible
- Something surprising
- Something rhyme-y :)
(*Find two objects that rhyme with each other (like a cat and a hat)*)

What is an adjective that describes you or someone you are walking with?

Shapes

- A pothole, divot, or patch of dirt that looks like a dinosaur footprint
- A cloud shaped like an animal
- An everyday object shaped like a △
- An everyday object shaped like an ☹️

Try to make a shape with your body- or with all your bodies put together!
